JOpsC Capstone Document (cont)

- **Process Strengths**
  - Conferences gave opportunity for many good ideas
  - Conferences gave opportunity for wide acceptance
  - Staffing minimized surprises and ensured concerns were aired
  - JROC and Tank approval ensured authority of document
- **Process Weaknesses**
  - Conferences cost many productive hours
  - Conferences resulted in much frustration
  - Conferences led to sub-optimal product to satisfy numerous agendas
  - Uncertainty over JOpsC lead caused staff confusion

JOpsC Capstone Document (cont)

- **Product Strengths**
  - First of its kind
  - SECDEF authority
  - Sufficient to inform experimentation
  - Sufficient to kick off subordinate concepts
- **Product Weaknesses**
  - Not as detailed as hoped
  - Therefore, not specifically tied into JCIDS or DCRs
  - Enabling Concepts quickly supplanted by JICs
  - Does not contain a campaign construct
